

Job Announcement:

We are seeking talented and dedicated individuals who are driven by excellence to become part of our esteemed team.

POSITION:

Marine Intern

Location : Coco Bodu Hithi (Maldives)
Job Type : Full-Time

OVERVIEW:

This role provides an opportunity to gain practical experience in marine conservation, environmental education, and sustainability initiatives. The Marine Intern will support the Marine Educator in marine monitoring, conservation activities, guest engagement, and environmental awareness programmes.

KEY RESPONSIBILITIES:

- Assist with marine monitoring, data collection, and conservation activities.
- Support coral restoration and reef monitoring initiatives.
- Assist with guest marine education and awareness activities.
- Help identify and record marine species and reef observations.
- Support guided snorkelling and marine-related guest activities.
- Assist with environmental and sustainability initiatives across the resort.
- Maintain accurate records of marine conservation activities.

QUALIFICATIONS:

- Currently studying or recently graduated in Marine Biology, Marine Science, Environmental Science, or a related field.
- Basic knowledge and interest in coral reefs and marine ecosystems.
- Good communication skills in English.
- Strong swimming and snorkelling skills.
- Diving certification is an advantage.

PERSONAL QUALITIES:

- Passionate about marine conservation and sustainability.
- Enthusiastic, responsible, and willing to learn.
- Friendly and confident when interacting with guests.
- Positive attitude with good teamwork skills.
- Comfortable working in and around the marine environment.

BENEFITS:

- Hands-on Marine Conservation Experience
- Accommodation & Duty Meals
- Learning & Development Opportunities
- Exposure to Luxury Resort

If you possess the requisite qualifications and a commitment to excellence, please submit your CV to careers.boduhithi@cococollection.com by 31 August 2026. Please note that only shortlisted candidates will be notified.
