

WE ARE HIRING!

Park Hotel Group's signature luxury resort, Grand Park Kodhipparu, Maldives, is recruiting. Exceptionally talented and passionate candidates are invited to apply.

DUTY ENGINEER

Key Requirements

- Diploma or Degree in Electrical or Mechanical Engineering, or a related technical field
- Strong electrical and mechanical engineering background with hands-on maintenance experience
- Previous experience in hotel or resort engineering operations is highly preferred
- Ability to troubleshoot and rectify electrical, mechanical, plumbing, HVAC, and utility equipment faults
- Good knowledge of power generation systems, pumps, motors, air conditioning systems, water treatment plants, and other resort utility systems
- Ability to respond effectively to breakdowns, emergencies, and guest-related maintenance issues
- Experience in preventive and corrective maintenance planning and execution
- Ability to supervise technicians and coordinate daily engineering activities
- Good knowledge of health, safety, and environmental standards
- Strong communication, leadership, and problem-solving skills
- Willingness to work shifts, weekends, and public holidays as required
