

Coco Palm Dhuni Kolhu's setting is pure magic. Surrounded by a lagoon of bright turquoise water and coral banks, fringed by beaches of white sand and richly covered with fertile tropical vegetation it has 98 thatched Bungalows either set in quiet isolation and hidden by tropical ferns, vines and palms or out on the lagoon over an excellent house reef.

We invite qualified and dedicated individuals with a passion for excellence to join our team.

JOB TITLE:

Electrician

LOCATION: COCO PALM DHUNI KOLHU (MALDIVES)

POSITION OVERVIEW:

The Electrician will be responsible for carrying out electrical maintenance, repairs, installations, and troubleshooting to ensure the safe and efficient operation of all electrical systems and equipment. The role will support the Engineering Department in maintaining high standards of safety, reliability, and service, while contributing to associate welfare and engagement in line with the Coco values and guest-service culture.

KEY RESPONSIBILITIES:

- Carry out routine electrical maintenance, inspections, repairs, and troubleshooting of electrical systems and equipment.
- Ensure all electrical installations, wiring, fixtures, and equipment are functioning safely and efficiently.
- Attend to electrical faults and breakdowns promptly to minimize disruption to resort operations.
- Conduct preventive maintenance of electrical equipment and systems as per the maintenance schedule.
- Inspect electrical panels, distribution boards, lighting systems, sockets, switches, and other electrical components.
- Perform electrical installations and modifications as required by the Engineering Department.
- Ensure compliance with electrical safety standards, resort procedures, and applicable regulations.
- Maintain proper records of maintenance activities, repairs, inspections, and replacement of electrical components.
- Identify potential electrical hazards and report them immediately to the Engineering Supervisor or Manager.
- Assist other Engineering team members with general maintenance activities when required.

QUALIFICATIONS

- Minimum 2–3 years of experience as an Electrician, preferably in a hotel, resort, or similar environment.
- Technical qualification, diploma, or certificate in Electrical Engineering / Electrical Installation from a recognized institution.
- Good knowledge of electrical systems, wiring, installations, repairs, and troubleshooting.
- Knowledge of preventive and corrective electrical maintenance.
- Ability to read and understand electrical drawings, wiring diagrams, and technical specifications.
- Knowledge of electrical safety procedures and safe working practices.
- Ability to identify electrical faults and carry out repairs efficiently.
- Good teamwork, communication, and problem-solving skills.
- Ability to work independently and respond to emergency maintenance requirements.

WHAT WE OFFER:

- Competitive Salary Package
- Vacation and Leave Allowance
- Professional Development Opportunities

HOW TO APPLY:

If you are a dedicated and skilled professional with a passion for creating exceptional guest experiences, we would love to hear from you. Please submit your resume and cover letter to careers.dhunikolhu@cococollection.com

APPLICATION DEADLINE: 30th September 2026
