JOB OPPORTUNITY

FARMING SUPERVISOR x 1

We are seeking individuals to join our team Vavathi, an integrated farming project located at Vavathi, Noonu Atoll.

Scope of work:

To work under the guidance of the Operations Manager and Assistant Operations Manager, we are seeking a qualified candidate to lead the Farming Division. In this position, you will be responsible for the comprehensive management of farming operations on our island. The project includes various hydroponics, greenhouses and open field farms.

Your primary responsibilities will include overseeing farmers, crop planning, harvesting, and performing related administrative tasks within the Farming Division

Qualifications and Experience:

- A strong academic or professional background in agriculture.
- A minimum of 4 years of managerial-level work experience in the field of farming.
- Able to lead all aspects of crop production, including soil management and field preparation, greenhouse seeding and seedling management, transplanting, direct seeding, weeding, irrigation, harvesting and post-harvest handling of produce

Remuneration:

- An attractive salary package (depending on education and relevant work experience).
- Food & accommodation provided

Closing date for applications is the **19th August 2026.**

Interested candidates please send completed resume with certificate copies and ID card copy to **jobs@silversands.com.mv**
