

SANDIES

BATHALA
MALDIVES

Become part of a passionate team and play a key role in our legendary squad. As a member of the Planhotel family, you are our greatest asset in delivering exceptional service to our guests. We are participants, not bystanders—working together to create memorable experiences. Begin a journey with us that connects you to new places, people, and possibilities.

WATER SPORTS & RECREATION MANAGER

Key Responsibilities

- Minimum 2-3 years of experience in Water Sports and Recreation management, preferably within a luxury resort or hotel environment.
- Proven experience managing water sports and recreation operations, including water-based activities, recreational facilities, equipment, excursions, and guest activities.
- Strong knowledge of water sports activities, recreation programs, guest experiences, and luxury service standards.
- Experience in budgeting, revenue management, cost control, equipment inventory, activity pricing, and departmental productivity.
- Proven ability to lead, train, motivate, and develop team members, including water sports instructors, lifeguards, recreation attendants, and activity guides.
- Strong understanding of water safety, risk management, emergency procedures, equipment maintenance, hygiene, sanitation, and health and safety standards.
- Excellent leadership, communication, sales, and organizational skills, with good command of spoken and written English.
- Experience in driving water sports and recreation revenue, activity sales, excursions, equipment rentals, promotions, and guest satisfaction would be an advantage.
- Must hold an active Watersports and relevant license issued/recognized in the Maldives.
