Be .Here and be part of an incredible journey

.Here Baa Atoll is seeking a visionary Resident Manager to lead the heartbeat of an ultra luxury island resort. In close partnership with the General Manager, you will command the rhythm of daily operations, ensuring every detail and guest interaction is delivered with absolute precision and uncompromising sophistication.

This is a role for a leader who sets the standard, not follows it, shaping a culture where excellence is instinctive, service is intuitive, and every experience leaves a lasting impression.

Resident Manager

Key Competencies

- Degree or higher qualification in Hospitality Management.
- Minimum 3+ years' experience in ultra luxury resorts, including senior leadership exposure.
- A results focused leader with the presence and credibility to guide Executive Committee and Department Heads.
- Demonstrates ability to deliver Forbes Five-Star standards or equivalent.
- Strong commercial acumen with responsibility for revenue and profitability.
- Experience leading high-performing multicultural teams in remote island environments.
- Proven ability to lead teams in designing and delivering highly personalized guest journeys for ultra-high-net-worth clientele.
- Fluency in English is essential; additional languages, particularly Russian, are highly advantageous.

Only shortlisted candidates will be contacted.

Embark on and be an integral part of an incredible journey offering an exceptional career path.
