

WE ARE HIRING

General Mechanic

Noku Maldives by Vignette Collection is seeking a reliable and skilled General Mechanic to join our Engineering & Maintenance team. This role is essential in ensuring the smooth operation of resort equipment and systems, contributing to guest safety, comfort, and overall satisfaction.

Key Responsibilities

- Perform routine inspections, maintenance, and repairs on mechanical equipment and systems, including HVAC, plumbing, electrical systems, generators, water pumps, and kitchen equipment.
- Respond promptly to equipment breakdowns and troubleshoot root causes to ensure timely repairs.
- Carry out preventive maintenance to reduce equipment downtime and identify potential issues.
- Diagnose malfunctions in mechanical systems and repair or replace defective parts.
- Collaborate with other maintenance team members to ensure optimal performance of all systems.
- Maintain accurate maintenance records, including work orders, repair logs, and inventory management.

Requirements

- Minimum 1 to 2 years of experience in a similar role.
- High school diploma or equivalent; technical certifications or vocational training in mechanical engineering or related field preferred.
- Strong knowledge of mechanical systems, including HVAC, plumbing, electrical, and kitchen equipment.
- Skilled in troubleshooting and performing repairs on mechanical systems.
- Flexible to work varied shifts, including weekends and holidays.
- Experience in buggy maintenance is an added advantage
- Previous experience in the Maldives resort industry is an advantage.

Application Details

Only shortlisted candidates will be contacted.

Interested applicants are invited to submit their CV and certificates to: noku.hr@ihg.com
