

An aerial photograph of a resort featuring numerous overwater bungalows with white exteriors and dark roofs, connected by a wooden walkway. The bungalows are situated in clear, turquoise water. In the background, a vibrant sunset or sunrise is visible, with the sun low on the horizon, casting a warm orange and yellow glow across the sky and reflecting on the water's surface. The sky transitions from a deep orange near the horizon to a soft purple and blue at the top. The overall scene is serene and picturesque.
